SUSTAINABILITY MINOR

- This worksheet is intended for supplemental use only. The University will use your Academic Requirements Report (ARR) to track your graduation requirements, including those for your major. Please continue to check your ARR for accuracy. If your ARR requires a correction, please submit an ARR Correction Form.
- Your Degree Planner will display the following requirements in the University's recommended sequence.
- All courses used for the minor must be completed with a grade of C (2.0) or higher.
- All non-articulated courses MUST be reviewed and approved by a faculty advisor.
- Fifteen (15) units used for the minor must be at the upper-division level.
- Environmental Studies majors may not also minor in Sustainability.
- The minor must contain at least 6 units beyond those used for major requirements and other minors (APC 265-03).

LOWER-DIVISION COURSEWORK (3 UNITS):

✓	Course	Units
