How to Guide:
Finding your Enrollment Tools

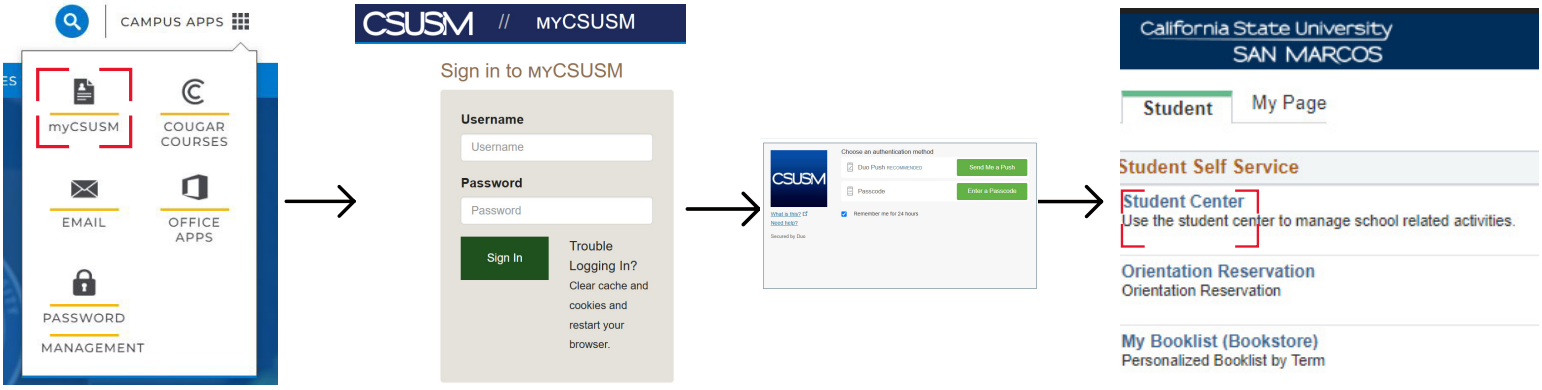

CSUSM
Office of Academic Advising

Students self-enroll in courses every term using the enrollment tools located in the Student Center in their myCSUSM portal.

Navigating to Student Center

Log into your myCSUSM portal, located on the university homepage under campus Apps in the top right corner.

- Confirm DUO
- Select Student Center

Enrollment Tools

Your enrollment tools are located in the top left of your Student Center under Academics.

Degree Planner- Interactive tool used to plan requirements for your major, minor (if applicable), and general education requirements. Requirements are displayed in the recommended sequence by semester using information from your student record.

Enroll – Contains your shopping cart and it's where the enrollment process is completed.

Schedule Assistant- Enrollment tool that enables students to create a personalized schedule for the upcoming term.

ARR (Graduation Eval)- Graduation evaluation tool used to track the completion of all degree requirements by indicating which are met, in progress, and needed.
