Reconsideration of Application Decision

If ASI denies the student travel/conference application or decreases the original funding request amount, ASI must (1) issue its decision in writing to the student, and (2) identify the specific reasons for the denial or reduction. The meeting shall take place within five (5) business days of the request. At the meeting, the parties will discuss the application and the ASI administrator shall explain the reasons for any reduction in amount or denial of the application. Appeal Process

(A) Generally

If the student contends that ASI's post-meeting decision violates or did not comply with the viewpoint neutrality requirement, the student may file an appeal within five (5) business days after receipt of the written decision to file an appeal. Such appeal must be in writing and state the reason the student believes the application was wrongfully denied or reduced. The appeal shall be limited to the question of whether the application was properly denied pursuant to the policy or whether viewpoint or opinion played an impermissible role in the denial or reduction.

CSUSM-ASI Leadership Funding
On-Campus Events Application and Guidelines
~~23/24~~24/25

ASI Mission Statement

ASI serves, engages, and empowers students.

ASI Leadership Funding Programs

Associated Students, Inc. (ASI) provides ASI Leadership Funding (ALF) for student organizations' events and individual student attendance at professional conferences. The ASI Vice President of Finance & Operations and professional staff members determine the allocation of these funds. All such allocations are made in accordance with the ASI Bylaws and CSUSM-ASI Viewpoint Neutrality Policy and General Procedures.

ASI has allocated approximately $35,000 to ALF this year. Approved funding for a registered student organization (RSO) on-campus events is based on eligibility and compliance with the procedures outlined below.

Awarded funds are on a first come-first served basis. These funds are for reimbursement to members or for payment directly to vendors. Events must take place during the academic year. An RSO may not utilize ASI's logo or name in the advertisement or promotion of an event. ASI's decision to fund an event does not constitute co-sponsorship. All events must be conducted in compliance with applicable University rules, regulations and policies, including facilities use policies if the event will require reservation and use of University space as well as Sodexo's first right of refusal for food purchases over $250. All events must be compliant with and not violate any federal, state or local law, statute, ordinance, code, or regulation.

All students are encouraged to request funding early in the year in order to secure funds prior to their event. Application must be submitted at least one (1) week prior to event date. The applicant and all signers will receive an email noting the decision on the applications within 5 business days of application. We will not approve any events taking place after the conclusion of finals week. If approved, recipients are required to submit receipts or payment requests no later than ~~June 7th~~May 30th of the academic year in which the event takes place; such receipts should be sent to alf@csusm.edu or brought to the ASI office in USU 3700 in order to process payments for the awarded funds.

I. RSO On-Campus Event Funding Process

(A) Application Process

The application for funding will begin on a date as determined by ASI and posted on its website or through some other announcement to the campus community, and will remain open

until ASI funds have been fully distributed. All applications will be processed in accordance with viewpoint neutral application procedures and applicable deadlines.

Funding decisions shall be made in the order of when the application was received. Awarded funds are on a first come, first served basis. Events must take place during the academic year. Awards must be made in conformance with ASI's viewpoint neutrality requirement.

All of the individuals making a funding decision shall use a standardized evaluation form. The forms will be maintained by ASI for a period of four (4) years.

Application must be submitted at least one (1) week prior to ~~event~~the event taking place. The applicant will receive an email noting the decision on the applications within 5 business days of application. We will not approve any events taking place after the conclusion of finals week. If approved, recipients are required to submit receipts or payment requests no later than ~~June 7th~~May 30th of the academic year in which the event takes place; such receipts should be sent to alf@csusm.edu or brought to the ASI office in USU 3700 ~~in order to~~to process payments for the awarded funds.

(B) Eligibility; General Requirements and Conditions

An RSO shall be eligible to obtain ALF funding if it satisfies the following requirements at the time the application is submitted: (1) the RSO is properly registered as a recognized student organization in good standing through Student Leadership & Involvement Center (SLIC), and (2) a representative of the RSO has attended a financing workshop prior to submitting their first funding application for the academic school year.

All applications for ALF funding by an eligible RSO shall be granted in the amount requested provided that (1) ALF funds are still available at the time the application is submitted, and (2) the RSO-sponsored event or program satisfies the following requirements and conditions:

1. Application was submitted to ASI at least one (1) week prior to event taking place

2. The event will be held on-campus.

2. The event will be free to attend.

3. The application must contain a budget detailing how the funds will be used. Funding may only be used for consumable items and facility costs such as food for attendees, paper products, event/program advertising, and rental or cleaning costs. If food is purchased, it must follow campus's first right of refusal policies.

4. Funding is **not** available, and may not be used, for any of the following: door prizes, raffles, opportunity drawings, honorariums, speaker fees, donations, gifts, or give-away items.

5. An RSO may receive up to $500 in ALF funding per semester.

6. If an event or program is not open to the entire campus community, the maximum ALF amount that may be requested is **$250**.

7. If an event or program is open to the entire campus community, the maximum ALF amount that may be requested is **$500**.

8. An RSO may co-sponsor an event with another RSO. For a co-sponsored event, each RSO is eligible to submit an application for the maximum amount. Co-sponsored events can be funded up to $1,500. ALF contribution for co-sponsored funding is **not** available for individual RSO members.

9. Incomplete applications will be rejected and must be re-submitted as a new application. Must still follow application timeline requirements.

10. Use of funding for any activity not disclosed in the application will disqualify an RSO from receiving any future ALF funding for a period of one academic year.

11. Funding may only be used or expended in support of the specific program or event identified in the funding application.

(C) Reconsideration of Application Decision

Each RSO shall submit its application to ASI Vice President of Finance & Operations electronically. No later than the close of business five business days from the date the application is submitted, ASI Vice President of Finance & Operations must approve or deny the application and deliver their decision in writing via electronic communication to the person that submitted the application on behalf of the RSO. Email is permissible for this notification. If the application satisfies the criteria set forth above and ALF funds are available, ASI Vice President of Finance & Operations must approve the application as submitted. If ASI Vice President of Finance & Operations denies the application or decreases the original funding request amount, ASI Vice President of Finance & Operations must (1) issue their decision in writing to the RSO, and (2) identify the specific reasons for the denial or reduction. If the RSO disagrees with the decision, the RSO may request a meeting with ASI Vice President of Finance & Operations or ~~ASI Vice President of Finance & Operation's~~ designee within three (3) business days of receipt of the decision. The meeting shall take place within five (5) business days of the request pending scheduling availability. At the meeting, the parties will discuss the application and ASI Vice President of Finance & Operations shall explain reasons for any reduction in amount or denial of the application. The RSO will receive written notice of ASI Vice President of Finance & Operations' decision within three (3) business days after the meeting. If the decision confirms the denial of or decrease in funding, the decision will explain and state in writing the reasons why the funding was denied or decreased.

II. Appeal Process

(A) Generally

If the RSO contends that ASI Vice President of Finance & Operations's post-meeting decision violates or did not comply with the viewpoint neutrality requirement, it may file an appeal. The RSO has five (5) business days after receipt of the written post-meeting decision to file an appeal. Such appeal must be in writing and state the reason the RSO believes the application was wrongfully denied or reduced. The appeal shall be limited to the question of whether the application was properly denied pursuant to the policy or whether viewpoint or opinion played an impermissible role in the denial or reduction.

The CSUSM Vice President of Student Affairs ("VPSA") or the VPSA's designee will review the appeal and issue a written decision as soon as reasonably practicable but no later than ten (10) business days of receipt of appeal.

(B) Standard of Review

The VPSA or the VPSA's designee shall determine "de novo" (*i.e.*, without any deference to the ASI Vice President of Finance & Operations' decision) whether the funding decision complied with the terms of the policy or whether it violated the viewpoint neutrality requirement.
