Sent on behalf of: Financial Systems Operations

Hello PCBO Community,

We're pleased to share that the Finance Data Warehouse now features a new DOA dashboard. This dashboard has been designed to give end users streamlined access to DOA 360 data, making it easier to review and verify delegation of authority.

Existing CFS Data Warehouse users should automatically have access to the new dashboard.

Please contact FSO questions about the DOA dashboard at **fso@csusm.edu**

Thank you.
