Stateside Budget Transfers

Subscribe to the PCBO Mailing List

PCBO Communications Archive

Sent on Behalf of: University Budget Office

Hello Campus Partners,

The Budget Office requests that departments don't create Stateside budget transfers in CFS prior to the 24/25 budget upload. Please include any transfer amounts with your initial budget submission if possible so the budget can be uploaded to the desired areas all at once.

We are still finalizing the timeline for the 24-25 budget upload and will provide an update once the timeline is solidified.

If you require a budget transfer prior to the upload, please email budget@csusm.edu explaining your situation and we will review your request.

Thank you for your understanding.
