Sent on behalf of: Financial Systems Operations (FSO)

Hello PCBO Colleagues,

As we prepare for our transition to CHRS, we would like to share an update regarding the **HR Actuals Report**.

In our previous communication, we indicated that a query would be available to replace the HR Actuals Report. We have since updated our approach and will instead provide a new reporting method designed to offer a more streamlined and user-friendly way to access this information. This will be available either as a new payroll reporting workbook or as a reporting dashboard, based on user needs and reporting requirements.

For details, including access and instructions, please reach out to your unit lead analyst or supervisor.

Our team is just as eager to go live as you are! If you have questions, please contact **kmiller@csusm.edu**.

Thank you,

FSO Team
