PROGRAM OVERVIEW

Advance your supply chain career by earning the CPIM — the globally recognized credential from the Association for Supply Chain Management (ASCM) that often leads to higher pay and faster promotions. CSUSM's 16-week prep course, developed in partnership with ASCM San Diego, is taught by industry-certified instructors who guide you step-by-step toward exam-day success.

WHAT YOU'LL LEARN

The CPIM Learning System's eight modules cover everything from supply chain strategy to quality and distribution, building the knowledge and skills to sharpen operations and improve efficiency across your organization.

- **Module 1: Supply Chains and Strategy**
- **Module 2: Sales and Operations Planning**
- **Module 3: Demand**
- **Module 4: Internal Supply**
- **Module 5: External Supply**
- **Module 6: Inventory**
- **Module 7: Detailed Schedules**
- **Module 8: Distribution**
- **Module 9: Quality, Business Investments, and Continuous Improvement**
