Glossary

Afterglow Echeveria *40*
(Echeveria 'Afterglow')
Evergreen succulent grows a short stem that holds 12-16in wide rosettes.

Apple Tree *47*
(Malus domestica)
Deciduous tree generally is 6-15ft tall. Leaves are dark green ovals. Blossoms are produced in spring. Flowers are white with pink. The central flower is called the "king bloom" due to developing into a fruit. The fruit matures in late summer or autumn.

Atlas Fescue *39, 49*
(Festuca mairei)
Evergreen drought tolerant clumping grass grows between 18 to 24 inches tall and wide with yellowish gray-green foliage. White blooms appear by summer.

Bird of Paradise *23, 32*
(Strelitzia)
Evergreen shrub grows at a slow rate of 3-5ft. tall. Foliage is gray-green. Has a unique bird like orange, blue, and white flower heads. Usually blooms in fall and winter.

Blue Cape Plumbago *10, 15, 21*
(Plumbago auriculata 'Imperial Blue')
Evergreen shrub moderately grows to 5ft tall. Blooms of blue flowers begin to appear from spring through early winter.

Blue Cypress *27*
(Cupressus sempervirens 'Glauca')
Grows at a fast rate of 60-80ft tall and 4-6ft wide. Has blue-green foliage, but does not bloom.

Blue Foxtail Agave *37*
(Agave attenuata 'Nova')
Evergreen agave grows between 3-4ft tall. Flowers appear yellow-green. The leaves lack teeth along the margins and overall looks like a gray-blue flower.

Blue Palo Verde *51*
(Parkinsonia florida)
Deciduous tolerant tree reaches 15-20ft high. Between March through May blooms are yellow and bark is green.

Blue Spires Rosemary *18*
(Rosemarinus officinalis 'Blue Spires')
Aromatic drought tolerant shrub has a light grey-green foliage, covered with clear blue flowers. Moderately grows from 4-5ft tall. Blooms in spring through summer.

Bottlebrush *31*
(Melaleuca citrina)
Shrub grows 20ft tall. Bark is usually covered with soft, silky hairs. Leaves are long, hard, flat, narrow egg-shaped. The flowers are red and arranged in spikes. Flowering occurs in most of the year but mainly in November and December.

Glossary

Bougainvillea *10*
(Bougainvillea spectabilis)
Shrub has heart-shaped leaves and thorny stems. Flowers are generally small, white, and inconspicuous. The bracts could range from white, red, mauve, purple-red, or orange.

Boxwood *24*
(Buxus sempervirens 'Suffruticosa')
Branches display small oval glossy leaves. Tolerates full sun exposure, and rejuvenates pruning. Overall evergreen.

Bright 'N Tight Laurel *51*
(Prunus caroliniana 'Monus')
Evergreen tree grows about 26-43ft tall. Leaves are shiny dark green and twigs are red-grayish brown. Flowers are white-cream between winter to early spring. Fruits are tiny black cherries about 1cm, which persist through winter.

Callery Pear *9*
(Pyrus calleryana)
Deciduous tree grows 16-26ft tall. Leaves are long, glossy, dark green. White flowers are produced in early spring. In summer the foliage is dark green and in autumn the leaves turn brilliant colors of yellow and orange.

Camphor Tree *16*
(Cinnamomum camphora)
Evergreen tree grows from 66-98ft tall. Leaves are glossy and have a waxy appearance. Foliage is green with masses of small white flowers appear in the spring. Clusters of black, berry-like fruit is produced. Bark is pale and rough.

Canary Island Date Palm *31*
(Phoenix canariensis)
Evergreen palm tree slowly grows to about 50ft tall. Blooms in the spring and foliage is green.

Canary Island Pine *4, 22, 28, 36*
(Pinus canariensis)
Evergreen fire resistant tree grows up to 90ft tall. The leaves go from yellow to yellow-green.

Cast Iron Plant *40*
(Aspidistra elatior)
Evergreen plant practically could grow in the dark. Spreads by underground stems. Slowly grows up to 2ft tall. Foliage is dark green and blooms inconspicuous.

Chitalpa *16*
(x Chitalpa tashkentensis)
Multi-stemmed deciduous tree has narrowly lance-shaped pale green leaves. In fall leaves are shades of yellow. Blooms are pink or white and have yellow and purple-striped centers.

Glossary

Coast Live Oak *2, 9, 14, 17, 21, 27, 35, 37, 46, 49*
(Quercus agrifolia)
Overall evergreen with a holly-like foliage and smooth gray bark.

Coast Rosemary *23*
(Westringia fruticosa)
Evergreen shrub grows from 4-6 ft tall. Leaves are dark gray-green and foliage looks similar to rosemary. Small white flowers bloom along the branches year-round.

Common Ivy *11, 18*
(Hedera helix)
Evergreen vine grows at a moderate rate of 6-8in. Leaves are green as well as the foliage and green flowers bloom inconspicuous.

Common Olive *50*
(Olea 'Wilsonii')
Drought tolerant tree blooms white flowers in the spring, but do not mature into fruit.

Cotoneaster *9*
(Cotoneaster frigidus 'Cornubia')
Deciduous shrub grows to 33ft tall. White flowers are followed by small , red fruits in autumn to winter.

Coyote Brush *15, 51*
(Baccharis pilularis)
Shrub remains green year round and grows mounds of small rounded leaves.

Crepe-Myrtle *2, 11, 29, 34 45*
(Lagerstroemia indica)
Deciduous shrub grows up to 25ft tall. In spring foliage has a gold fall color. By summer clusters of snowy white-crepe flowers begin to bloom.

Daisy *47*
(Erigeron karvinskianus)
Perennial grows 1-2ft tall. Blooms white flowers almost year-round.

Daylily *14, 18*
(Hemerocallis)
Herbaceous perennial grows to 1ft tall. By early summer yellow blossoms appear and foliage remains green.

Evergreen Oak *5, 6, 25, 46*
(Quercus ilex)
Evergreen drought tolerant tree resembles deep green leaves while retaining green-foliage. During a winter foliage becomes rusty red to orange-yellow while the bark is gray and smooth.

Fan Palm *40*
(Washingtonia robusta)
Palm tree grows to 82ft tall. Leaves have a petiole and palmate fan of leaflets. Has numerous small pale orange-pink flowers.

Glossary

Fern Podocarpus *19*
(Podocarpus gracilior)
Evergreen tree moderately grows to 50ft tall. Leaves and foliage are gray-green. Blooms inconspicuous.

Flax *19, 27*
(Phormium 'Yellow Wave')
Evergreen perennial moderately grows 3-4ft tall. Foliage is variegated and in summer red flowers begin to appear.

Flax *24*
(Phormium tenax)
Grows from 8-10ft tall. Leaves are olive green and orange-red flowers form on tall stalks in late spring.

Flower Carpet Red Groundcover Rose *12*
(Rosa x 'Noare' P.P. # 11308)
Deciduous drought tolerant shrub grows from 2-3ft tall. Between spring and fall red flowers blossom and foliage remains dark green.

Fortnight Lily *3, 15, 22, 34*
(Dietes bicolor)
Evergreen fire resistant perennial moderately grows 2-3ft tall. Light yellow flowers begin blooming from spring to fall and foliage remains green.

Fruitless Olive *6, 25, 50*
(Olea europaea 'Fruitless')
Evergreen tree exceeds 26-49ft tall. Leaves are silvery green and trunk is typically twisted.

Gazania Rigens *23*
(Gazania splendens)
Herbaceous evergreen flower can grow in sub tropic climates. Leaves are green and clusters of yellow orange flowers appear.

Glossy Abelia *9*
(Abelia x grandiflora)
Evergreen shrub moderately grows from 4-6ft tall. In summer bell-shaped white flowers begin to bloom and foliage remains glossy green.

Golden Abundance Mahonia *38*
(Mahonia 'golden abundance')
Evergreen shrub grows from 5-8ft tall. Bright yellow flowers begin to appear in the spring and leaves remain shiny.

Golden Poppy *48*
(Eschscholzia californica)
Perennial grows 5-60 in tall with alternately branching and blue-green foliage. Flower color ranges from yellow to orange with flowering from February to September.

Grass Tree *37*
(Dasylirion longissimum)
Evergreen tree moderately grows 4-6ft tall. White clusters of flowers appear in summer and foliage remains green.

Glossary

Gray Rush *51*
(Juncus patens)
Evergreen grass grows from 1-2ft tall. Forms dense clumps of gray-green leafless stems. Clusters of golden-brown flowers emerge in the spring to fall.

Grey Sedge *39, 51*
(Carex divulsa)
Evergreen drought tolerant grass-like plant grows from 12-18in tall. Between winter to spring greenish flowers scatter along and then age to brown.

Hawthorn *3, 12*
(Rhaphiolepis indica 'Clara')
Evergreen drought tolerant shrub grows 4-5ft tall. In spring pink flower buds begin to appear and display pure white flowers.

Iceberg Shrub Rose *17*
(Rosa x 'KORbin')
Shrub rose grows from 4-6ft tall. Blooms white fragrant flowers in spring through fall.

Idaho Locust *36*
(Robinia idahoensis)
Grows up to 40ft tall. Flowers are bright purple-pink. In mid-summer foliage takes a bluish tone but with cooler weather foliage fades to a yellow color.

Jacaranda *14, 20, 31, 44*
(Jacaranda mimosifolia)
Semi-evergreen tree moderately grows from 25-40ft tall. Begins blooming purple flowers in the spring and foliage remains green.

Kleinia *23*
(Senecio mandraliscae)
Drought tolerant succulent grows to 12-18in tall with 3-4in long blue gray pencil like leaves. Blooms small flowers in the summer.

Lacebark Elm *22, 49*
(Ulmus parvifolia)
Deciduous tree grows to 50ft tall. Foliage is green and bark is orange. Blossoms are inconspicuous.

Lantana *14*
(Lantana camara 'Irene')
Evergreen drought tolerant shrub has yellow clusters and hot pink flowers. Leaves are dark green. Also heat tolerant.

Lavender *53*
(Lavandula stoechas 'otto quast')
Evergreen herb has linear leaves of pale gray-green but in the winter the leaves turn gray.

Lavender Swirl Trailing Lantana *12, 13*
(Lantana sellowiana 'Monswee')
Evergreen shrub moderately grows from 8-12in tall. Continuously blooms purple flowers and foliage remains green.

Glossary

Lily *28*
(Agapanthus africanus 'Albus')
Evergreen shrub clumps to $1^{1/2}$ ft tall. By mid summer white flowers bloom and foliage remains green.

Loquat *42*
(Eriobotrya japonica)
Evergreen tree grows at a fast rate from 20-25ft tall. In winter strongly fragrant white flowers bloom.

Mediterranean Fan Palm *32*
(Chamaerops humilis)
Evergreen palm tree slowly grows from 10-15ft tall. Yellow flowers bloom inconspicuous and foliage remains green.

Mountain Gum *19*
(Eucalyptus dalrympleana)
Evergreen tree grows at a fast rate up to 60ft tall. In spring white flowers begin to bloom and foliage is green. The bark is white and gradually darkens but peels in late summer revealing a fresh white bark beneath.

Muhly *12, 52*
(Muhlenbergia capillaris)
Drought tolerant grass is noted for having pinkish-red flowers. Bloom times are during September-November and typically grow to 3" tall.

Muskogee Crape Myrtle *50*
(Lagerstroemia indica x fauriei 'Muskogee')
Deciduous tree moderately grows from 15-20ft tall. Blossoms of light lavender-pink flowers begin to appear in the summer. Foliage is green then turns red by the fall. The bark is smooth and light gray.

Navel Orange *20*
(Citrus sinensis 'Washington Navel')
Evergreen citrus moderately grows from 15-20ft tall. Blossoms by early spring and foliage remains green year round.

Orange Clivia *40*
(Clivia miniata)
Evergreen drought tolerant perennial forms 2ft tall clumps with narrow long dark green leaves. Clusters of pale orange flowers appear in late winter into spring.

Orchid Rockrose *21, 48, 52*
(Cistus x purpureus)
Evergreen shrub forms 4-6ft tall mounds. Leaves are dark green. In spring dark magenta-purple flowers appear with a red spot at the base of the petals.

Palmer's Agave *28*
(Agave palmeri)
Leaves are green and 4ft in length. Edges are thick. Pale yellow flowers grow on branches in the upper part of the flower spike.

Glossary

Pepper Tree *5, 10 , 17, 18, 22, 35, 44, 47*
(Schinus molle)
Evergreen tree grows at a fast rate of 25-40ft tall. Blooms white flowers in the summer while foliage remains green. In fall and winter clusters of pinkish fruit appears.

Pink Racer *29*
(Myoporum parvifolium 'Pink')
Evergreen drought shrub grows to 6in tall. Leaves are closely spaced with branched stems. Pink flowers form in clusters at the tips of the branches by the summer.

Powis Castle Artemisia *38*
(Artemisia 'powis castle')
Evergreen drought tolerant shrub grows 3ft tall. From summer to fall light blooms of small yellow flowers begin to appear.

Pride of Madeira *52*
(Echium candicans)
Evergreen shrub is covered with gray-green leaves. Each stem produces a tall flower containing hundreds of light blue blossoms. Tolerates drought, wind and salt.

Purple Sage *39, 48, 52*
(Salvia leucantha)
Evergreen shrub rapidly grows to 3ft all. From spring through fall purple blossoms begin to appear and foliage remains gray-green.

Purple Trailing Lantana *2, 15, 18, 25, 34*
(Lantana montevidensis)
Evergreen shrub grows up to 2ft tall. Leaves are slightly hairy green and strongly scented. Year-round the shrub displays light-fragrant lilac-purple flowers.

Pygmy Date Palm *20, 32*
(Phoenix roebelenii)
Evergreen palm tree grows from 6-10ft tall with a dense crown of 3ft long. Has a dark green foliage throughout all seasons and displays black color fruit.

Queen Palm *31*
(Arecastrum romanzoffianum)
Evergreen palm tree grows at a fast rate of 25-30ft tall. In summer flower blossoms and foliage is green.

Queensland Umbrella Tree *42*
(Schefflera actinophylla)
Evergreen tree grows up to 49ft tall. Has a multi-trunk and red flowers develop at the top of the tree. Blooming begins in early summer and continuous for several months.

Raspberry Ice Bougainvillea *3, 11, 15, 23, 29, 34*
(Bougainvillea 'Raspberry Ice')
Evergreen vine has a mounded form of 2-3ft tall and 5-6ft wide. Exhibits raspberry-pink blossoms in the summer with a variegated foliage.

Glossary

Red Hot Pocker *48*
(Kniphofia)
Herbaceous perennial moderately reaches 2ft tall. In summer orange flowers appear and foliage remains green.

Red Pencil Tree *40*
(Euphorbia tirucalli 'Sticks on Fire')
Succulent shrub grows to 25ft tall. Branches are as thin as pencils that are reddish-gold with small leaves. The color fades closer to yellow in the summer.

Redbud *3, 45*
(Cercis canadensis)
Deciduous tree grows moderately to 20ft tall. In early spring pink flowers bloom and foliage remains purple. Between winter and spring branches contain rosy-pink flowers.

Redbud *6*
(Cercis occidentalis)
Tree has shiny brown branches with shiny heart-shaped leaves which are light green. The flowers are bright pink and grows in clusters all over the shrub.

Regal Geranium *20*
(Pelargonium x domesticum)
Leaves are stiff and stems are about 2ft tall. Holds clusters in spring through summer.

Rock Thyme *44*
(Acinos alpinus)
Semi-evergreen drought tolerant perennial grows at a moderate rate of 4-6in tall. By summer flowers are bright pink-purple.

Rose Aeonium *39*
(Aeonium arboretum 'Zwartkop')
At the end of stems are black roses. Begins blooming in the winter. Flowers are yellow and contrast with the dark foliage.

Rosewood *11, 12, 13, 47, 50*
(Tipuana tipu)
Tree has numerous oval leaflets. Leaves shed during dry periods. In spring and summer clusters of small golden yellow flowers appear.

Sage *50*
(Salvia mellifera)
Evergreen shrub grows at a moderate rate of 18in tall. From spring to late summer pale blue flowers bloom and foliage is light green.

Sago Palm *31*
(Cycas revoluta)
Evergreen palm grows slowly to 10ft tall. Leaves are long, narrow, and form an open rosette. Flowers only at full maturity.

Satsuma Mandarin *20*
(Citrus unshiu 'Miho')
Drought tolerant tree grows up to 8ft tall. Flowers appear from very late winter to spring and foliage remains dark green.

Glossary

Scarlett O'Hara Bougainvillea *6, 44*
(Bougainvillea 'Scarlett O' Hara')
Evergreen vine grows from 20-30ft long. By summer red flowers begin to bloom and foliage is green.

Sea Lavender *23*
(Limonium perezii)
Evergreen perennial has a green foliage. Blooms clusters of purple flowers nearly year round.

Snowball *38*
(Echeveria elegans)
Evergreen drought tolerant rosette forms gray leafed succulent and grows about 8-12in. Blooms pink flowers from spring to summer.

Spoon Yucca *48*
(Dasylirion wheeleri)
Evergreen drought tolerant succulent has 3ft long narrow leaves that are blue-gray. White flowering occurs only every few years.

Star Jasmine *13, 28, 53*
(Trachelospermum jasminoides)
Evergreen vine reaches 1-2ft tall. From spring to summer star shaped white flowers bloom with green foliage.

Stonecrop *31*
(Sedum album chloroticum 'Baby Tears')
Evergreen perennial grows at a moderate rate of 4-6in tall. By late spring to late summer white flowers bloom. Forms low rosettes of green teardrop-shaped leaves and is drought tolerant.

Sugar Pine *21*
(Pinus lambertiana)
Deciduous pine grows up to 40-60 meters tall and is one of the largest species of pines. Leaves are in bundles of five and has long cones.

Sycamore *16, 21*
(Platanus occidentalis)
Deciduous tree grows to 110ft tall. The bark changes from white to pale brown but becomes darker after peeling away. By the fall the leaves are orange-red.

Sycamore *35, 37, 45*
(Platanus racemosa)
Drought tolerant tree grows from 40-60ft tall. Bloom time is not significant, yet flowers appear as a cream-like color. Branches are often twisted with reddish-brown peeling. Leaves turn brown before fall until spring.

Tasmanian Tree Fern *42*
(Dicksonia antarctica)
Evergreen fern slowly grows to 15ft tall. The trunk is dark brown and has a green foliage but does not bloom.

Glossary

Torch Aloe *48*
(Aloe arborescens)
Succulent drought tolerant shrub grows up to 9ft tall. Leaves are dull green and coral-red flowers hang tightly above the foliage in late fall and early winter.

Toyon *38*
(Heteromeles arbutifolia)
Evergreen drought tolerant shrub typically grows to 10ft tall. Has a gray bark and many small white fragrant flowers that cluster in late spring to early summer. Produces bright red pea sized berries in the winter.

Trailing Acacia *4, 39*
(Acacia redolens 'desert carpet')
Evergreen dry tolerant shrub grows from 1-2ft tall. In spring small yellow flowers begin to appear.

Tree Philodendron *42*
(Philodendron selloum)
Evergreen shrub grows at a slow rate of 6-10ft tall. Foliage is green and white flower blooms are inconspicuous.

Tuscan Blue Rosemary *39*
(Rosmarinus officinalis 'Tuscan Blue')
Evergreen shrub moderately grows 6ft tall. Blooms clusters of blue flowers from spring to summer and foliage is needle-like.

Variegated Century Plant *15, 53*
(Agave americana var. marginata)
Agave grows 5-6ft tall. Leaves are wavy gray-green and contain cream to yellow margins. Has a yellow variegated foliage and is deer tolerant.

Vera Deep Purple Bougainvillea *24*
(Bougainvillea 'Rpboug 327' P.P. # 10950)
Evergreen vine grows at a fast rate of 8-12in tall. In summer purple flowers bloom and foliage remains green.

Weber Agave *27, 34, 38*
(Agave weberi)
Evergreen drought tolerant cactus reaches up to 5ft tall. Has a rosette shape with gray-green leaves that have fine teeth along the margins.

Whitebarked Himalayan Birch *4*
(Betula utilis var. jacquemontii)
Deciduous tree grows up to 35-40ft tall. In spring yellow flowers bloom and foliage remains green.
