Certified Mail Receipt

Distribution Services USB 32 Tel: 760-750-4525

Certified Mail provides proof of mailing at the time of mailing and date and time of delivery or attempted delivery. Certified mail is available with First-Class Mail and Priority Mail. (Supplies available at Distribution Services.)

Please fill out the Certified Mail Receipt as seen in the sample below. You may type or print clearly in blue or black ink. Be sure to write in your name and/or department so that we can return the slip back to you after the Post Office has Postmarked it. Your department is then responsible to keep this form on file to provide proof of mailing if necessary.

Paperclip your Certified Mail Receipt to your item to be mailed. Do not fill in the postage costs; we will do this for you.

For an additional fee, Certified Mail may be combined with a Return Receipt.
