How to Access the Office of Human Resources (OHR)

From the 1st floor of the Administrative Building

Take the elevator or stairs to the third floor of the Admin Building and exit towards Tukwut Courtyard. Head up the steps across from you and make a right. Enter and follow through the hallway. Exit and enter the door immediately to your right (see image 2).

Access to HR, no staircase

Take the elevator to the 4th floor, make a left, and exit the building through the sliding glass doors. After exiting, make a right and follow the perimeter of the building, entering the first set of double doors on your right. Follow the signage to the University Store and continue through the outside hallway. Enter the next set of double doors. Follow through the hallway. Exit, then enter the door to your right (see image 2).

Driving

Drive up Craven Road and make a right on Palm Canyon Drive. Lot E has a few, free, 30-minute parking spaces. As a reminder, aside from these designated areas, you need a valid CSUSM parking pass to park anywhere on campus. Head towards the University Commons building, walk around its' left side (see image 1), and enter the first door on your left to find the Office of Human Resources (see image 2).
