Project Title: Integrated Science and Engineering Building Project

Project Applicant: California State University, San Marcos

Project Location (include county): Eastern portion of CSUSM campus, San Diego County

Project Description:

CSUSM is proposing to construct an IS&E building project with a combined 125,000 square feet on a 2.46-acre site and an approximately 750-foot-long off-site utility tunnel on an additional 0.17 acre within the existing campus. The project would provide state of the art facilities for teaching, learning, and research, featuring integrative innovative technology and flexible configurations for classrooms and laboratories. The proposed project would require re-routing an existing service road and underground ➕
