PRESIDENT'S UNIVERSITY CABINET
Thursday, March 13, 2025
10:30 a.m. – 11:45 a.m.
Zoom
MEETING MINUTES

I. Welcome/Updates *(President Neufeldt)*

- President Neufeldt discussed the federal action's impacts and emphasized that our campus is continuing to comply with CA Prop 209.

II. Artificial Intelligence

(Tony Chung and Dawn Ressel, Senior Director, Research Advisory Services, EAB)

- Dawn Ressel from EAB presented on AI, including how universities are on the cutting edge of incorporating AI into teaching and learning, and how universities use AI in their admissions and operations practices.
- Discussion included how universities are promoting their AI efforts and positioning themselves in the higher education market around AI.
- The conversation also centered around the impact on the humanities and how the humanities will play a role in thinking about AI. There was an acknowledgement that we need to be sensitive to this "sticky space" and that we address student interest in AI while honoring that some faculty and disciplines may engage differently.

III. Closing *(President Neufeldt)*
